Re: Kevin Crittendon v. Duke Energy Carolinas, LLC
Docket No. 2015-357-E

Dear Ms. Boyd:

Duke Energy Carolinas, LLC ("DEC") objects to Mr. Crittendon's October 22, 2015, letter request for a total count of all 2015 DEC service call records related to residential reconnections within Greenwood County. In addition, the request is overly broad, unduly burdensome, and seeks information not relevant to the complaint. Furthermore, the information requested is not reasonably calculated to lead to the discovery of admissible evidence.

DEC reasserts that the Crittendon complaint should be dismissed, or, in the alternative, seeks judgment on the pleadings as outlined in the DEC Motion filed October 20, 2015. By copy of this letter we are serving the parties of record in this proceeding with the same. If you have any questions, please contact me.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
